

Ayushi JOSHI

Product Marketing & Growth Manager | B2B SaaS | E-commerce | FMCG

+33 7 80 82 36 37 | Ayushi.joshi1975@gmail.com | linkedin.com/in/ayushi-j | Paris, France | International MBA (Audencia)

PROFESSIONAL SUMMARY

Product marketing and growth manager, 5 years across B2B SaaS, FMCG, and consumer apps, with brands including Samsung, Amazon, Lakmé, and Cadbury. Owns the arc from positioning to pipeline: **ICP and value-based messaging** frameworks that lifted marketing-qualified lead conversion **18%** across three vertical segments, **go-to-market** execution that beat sales targets by **48%**, and acquisition engines that took **two sites to #1 on Google**, one of them also into AI-generated answers. Builds the automation underneath, an unattended stack absorbing **80+ hours** of manual execution per month. MBA from Audencia, working in France.

EXPERIENCE

Marketing & Growth Consultant (Freelance)

Feb 2026 - Present

Independent practice (micro-entreprise) | Paris, France

Snap Engineering | Marketing Director | Engineering services and e-commerce (US)

- Own **full-funnel marketing** across the group's two brands: **Google Ads** and **Meta Ads**, **SEO** and **AEO/GEO** (AI search) optimisation, **Google Business Profile**, and content, taking snapengineering.io to the **#1 organic ranking in its category**
- Formfolly.com, 0-to-1 brand launch**: built an entire **e-commerce** brand end to end, covering brand name, logo and visual identity, **Shopify** storefront, product catalogue, **pricing architecture**, blog and content engine, and the full **go-to-market** and sales strategy

Dily | Marketing Manager | Pre-launch B2B SaaS

- Built and run the entire pre-launch **outbound acquisition engine** as the sole marketing function: 450 to 500 individually written **LinkedIn** messages per month from both founder profiles, plus 60 to 80 **ICP**-matched leads sourced monthly and 12 to 13 bilingual (FR/EN) posts
- Stood up the **cold email infrastructure** from zero (dedicated sending domain, mailbox warm-up, **Apollo** sequencing), now reaching **350 to 400 companies per month** with weekly **deliverability**, open, reply, and bounce reporting against a single tracked pipeline

Plombier 16

May 2026 - Aug 2026

Digital Marketing Lead | Angoulême, France

- Owned all marketing operations as the sole marketing function across **paid, organic, and social**, with **82% of signed quotes (devis) attributed to digital marketing**, plus full ownership of budget allocation, campaign reporting, and lead quality
- Delivered **2 to 4 qualified leads per day** across **Google Ads**, **Meta**, and **LinkedIn**, and took the website to **#1 on Google** for its local market through **SEO**, **AEO/GEO**, and **Google Business Profile** optimisation

WEMOOVE

Oct 2025 - Jan 2026

Business Operations & Marketing Assistant | Paris, France

- Built **ICP frameworks and value-based messaging across 3 vertical segments**, lifting **marketing-qualified lead** conversion by **18%**
- Led a 360° digital transformation covering brand identity, **Amazon** listing restructure, and AI chatbot implementation, lifting sales conversion by **34%**

Convosight Analytics Pvt. Ltd.

Nov 2021 - Sept 2024

Marketing Consultant | Full time | India

- Ran **integrated marketing campaigns** for **50+ global brands** driving a **60% increase in brand mentions**, and managed a 5-person **cross-functional team** across Growth, CRM, Sales, and Operations while leading AI-powered market analysis that surfaced 39+ actionable trends

Gowardhan Krushi Ayurved Pvt. Ltd.

May 2020 - Oct 2021

Product Marketing Manager | Full time | India

- Exceeded sales targets by **48%** through **product positioning**, **buyer persona** definition, competitive analysis, and full **go-to-market execution** across digital channels, and grew online community engagement by **65%**
